

## Natchez District of the Mississippi Territory

This alphabetized index of the 1792 Spanish Census reflects Heads of Households only.

The census takers were Spaniards, as evidenced by the Spanish interpretation of many of the names. No attempt has been made to "Americanize" the names, change/correct spelling, or alter the names in any way.

More detailed information about this census and the enumerated families can be found in the following:

Residents of the Mississippi Territory Miscellaneous, Book 2A, by Jean Strickland & Patricia N. Edwards, pub. by Ben Strickland, P.O. Box 5147, Moss Point, MS 39563, 1995.
